The CIVIC MUSIC High School Competition is a premier level competition that provides serious young musicians the opportunity to audition in front of a panel of distinguished professional musicians. Audition Day also hosts many workshops and masterclasses offering important learning and experiential opportunities. This Competition is open to instrumentalists and vocalists in grades 10-12 living in Milwaukee, Ozaukee, Waukesha, Washington and Racine counties. This year's auditions were done through video submissions. "Audition Day" was without students auditioning in person but still featured some great workshops. We are grateful to be able to present these workshops and for the wonderful musicians who led them:

Lighten up: The Alexander Technique for Musicians

With **Alexandra Kassouf**, certified Alexander Technique teacher (AmSAT)

Vocal Tune Up: Self-care for Singers

With **Dr. Tanya Kruse**, Associate Professor, Voice and Opera Theatre, UWM

Mindful Performances: Where Preparation and Confidence Intersect

With **Mark Davis**, Jazz Pianist; Artistic Director, Milwaukee Jazz Institute

Repair and Maintenance for Your Stringed Instrument

With **Korinthia Klein**, Luthier; Owner, Korinthia Violins

The Showcase Recital gives the top placing young musicians of the Competition the opportunity to perform in front of an appreciative audience. On Audition Day, the judges selected the Young Artist Scholarship recipients and the recipient of the Lee Guse Memorial Jazz Scholarship. These recipients will be announced at the end of today's recital.

Celebrating 102 years in Milwaukee, our mission is to support music education and provide performance opportunities for young musicians in the greater Milwaukee area.
