

Dear Music Education Enthusiasts,

CIVIC MUSIC has supported music education and performance in our community since 1918. We are proud to annually recognize educators for their outstanding work in the field of music education. We are asking for your help by nominating educators in the categories listed below whom you feel are deserving of this recognition because of their dedication and contributions to area music programs.

Nominations are open to educators in the five-county Milwaukee metropolitan area (Milwaukee, Ozaukee, Washington, Waukesha and Racine). The final selection of those to be honored will be made by the CIVIC MUSIC Education Awards Committee from the nominations submitted.

The awards are:

Certificates of Excellence: Special recognition is given to outstanding teachers in any or all of the following categories.

**Instrumental Music Instruction • Choral Music Instruction • General Music Instruction
Studio Music Instruction • Youth Music Instruction**

Music Teacher of the Year: All Certificate of Excellence nominees will be considered for this award.

Educational Administrator of the Year: This award honors educational administrators who have shown outstanding support for music education and teachers of music. By applauding outstanding educational administrators, we encourage and draw attention to those lending important support for music education.

Emerging Music Educator: This award honors outstanding school music educators who have been teaching for five years or less. This award was new in 2020.

MSO ACE Teacher of the Year: This award honors grade level classroom teachers who demonstrate outstanding commitment to arts integration through the Milwaukee Symphony Orchestra's Arts in Community Education (ACE) program, and support music and the arts throughout their schools.

This year's **Music Educator Award** recipients will be recognized in an online event that is currently scheduled for March, *Music in Our Schools Month*. More details will follow.

Please submit your nomination(s) for the above awards by completing the attached nomination form. There are many outstanding music educators doing great work. This can sometimes be a very difficult decision! Providing additional support letters for your nominee helps us get to know your nominee and gives us more information when making our decision.

Submissions must be **postmarked no later than November 30, 2023**. Feel free to contact us at 414/375-4875 or via email at info@civictimilwaukee.org if you have any questions. Thank you for your help in recognizing outstanding educators.

Sincerely,

The BOARD OF DIRECTORS
