

PHOTO, VIDEO & RECORDING RELEASE FORM

This document affects you and your child’s legal rights. Please read it carefully. Before we or others audio record, video record, film and/or photograph, Civic Music MKE would like to first obtain permission from each participating child's parent or legal guardian. By signing below, you are acknowledging that when your child participates in a Civic Music program or event, you understand and agree to each of the following:

- You are the parent(s) or legal guardian(s) of the participating child named below.
- You are granting permission to Civic Music and Civic Music authorized Third-Parties to audio record, video record, film and/or photograph Civic Music events and performances.
- You are granting permission to Civic Music and Civic Music authorized Third-Parties to publish and distribute any current or future audio recordings, television/video recordings, film and/or photographs in any format (collectively referred to as "Recordings"), including those involving your child.

CLAUSE I: Civic Music Recordings

Neither you nor your child will receive any payment or other form of compensation in connection with any current or future Civic Music Recordings. In exchange for your child's opportunity to be included in Civic Music events and Recordings, you authorize Civic Music to: (i) audio record, film, video record and/or photograph your child on CD, cassette, film, video, digital media, internet media or otherwise (the "Media"); (ii) edit the Media at the discretion of Civic Music; and (iii) distribute Civic Music Recordings publicly for purposes of musical entertainment, education, publicity, fund raising, and otherwise as Civic Music in its sole discretion deems appropriate. You further acknowledge that Civic Music shall own all rights to Civic Music Recordings and Media and all proceeds therefrom. Due to the nature of the Civic Music Recordings and Media, there is no guarantee your child will be recognizable on the Recordings, audibly or visually. Civic Music reserves all rights to make final decisions concerning the use of and the content of Civic Music Recordings and Media.

CLAUSE II: Third-Party Recordings

You understand that neither you nor your child is entitled to any payment or other form of compensation in connection with any future or current third-party Recordings (i.e. a Recording authorized by Civic Music but made by a person or entity other than Civic Music). You also authorize Civic Music to allow third parties, their licensees, assignees, and other successors-in-interest (collectively referred to as "Producers") the right to: (i) audio record, film, video record and/or photograph your child's performance with Civic Music on the Media; (ii) edit the Media at such third party's discretion and to include with it other content including but not limited to performances of others, sound effects, special effects and music; (iii) broadcast the contents of the Media on network television, cable television, video recorded programs, or the internet ("Programs"); (iv) use the Media or Programs in any manner whatsoever; and (v) use your child's likeness and voice in such Programs. If from time to time you or your child do receive payment for such services, it shall not detract from the enforceability of this clause in all other cases. Due to the nature of the Programs, there is no guarantee that your child will appear in the final edited Programs, audibly or visually, and the Producers of such Programs shall have the right to make all decisions as to the broadcasted content of the Programs. You further acknowledge that the Producers shall own all rights of every kind and character whatsoever in perpetuity in and to the Programs, including your child's appearance and/or voice and the results and proceeds thereof in connection with the Programs, subject to the above use restrictions.

CLAUSE III: Restrictions on Third-Party Use

Civic Music shall approve of and/or reject any use of the Media in Programs or other third-party Recordings in its sole discretion. Civic Music reserves the right to restrict use of the Media for any Programs that are unrelated to the purpose and objectives of Civic Music.

As used herein, "Civic Music" includes Civic Music MKE, its board of directors, staff, volunteers, licensees, assignees, and any third parties authorized by any of the foregoing. This Release applies to all Civic Music and Third-Party Recordings, existing and/or created in the future. This Release shall last in perpetuity and can be terminated only after 60 days' written notice to Civic Music at the address listed above, in which case the Release shall continue to cover all Civic Music and Third-Party Recordings made until the date of termination.

This Media Release Form is effective from this day forward unless and until this Release is terminated as set forth above.
